SIR,

Import of Rectified Spirit under bond at concession rate of duty - The Chemists Syndicate, C & M Station, Bangalor- Recommended.

I have the honour to state that the Chemists Syndicate, 2, South Parade, Bangalore have applied for permission to import Rectified spirit under bond from Madras for the manufacture of pharmaceutical preparations and request that they may be permitted to pay duty on the spirit as it is issued to them.

The Chemists Syndicate intend to start this business in a small way, and as the presence of the Excise officer would be required only for an hour a day three times a week, it would be possible to carry on the work with the present staff. If at any time they intend to increase the hours of work, they have agreed to give six months' notice, as a special staff of one Sub Inspector and one peon would then be required and they would bear the cost of this extra staff.

The Commissioner of Excise, Madras has no objection to Rectified spirit being imported from that Presidency to the C & M Station in bond. I therefore request that the sanction of the Hon'ble the Resident may kindly be obtained to permit the Chemists Syndicate to import spirit in bond

bond and pay duty on same when issued.

The Chemists Syndicate also request that they may be permitted to pay duty at the concession rate of Rs. 5/- per Imperial gallon. This concession has already been granted to Messrs. Forster & Co., The Cash Pharmacy and the Bangalore Pharmacy. The Hon'ble the Resident may therefore kindly be requested to grant the Chemists Syndicate a similar concession.

The Secretary to the Hon'ble the Resident in Mysore,

BANGALORE.

SIR,

Spirituous medicinal preparations - export from the Chemists Syndicate, C & M Station, Bangalore - adjustment of duty.

The Chemists Syndicate of the Civil and Military Station, Bangalore were permitted to import rectified spirit under bond from the Madras Presidency in the Hon'ble the Resident's Notification No. 48 dated the 13th July 1933. The medicinal preparations manufactured by the firm are being exported to other places. The duty on the rectified spirit used for the medicinal preparations is credited in the first instance to the accounts head "M.A.T. VI-Excise-Wines and Spirits-Duty on D.D.Rum and Rectified Spirit". As the duty on the exported spirituous medicinal preparations should legitimately go to the consuming province and as the duty on the spirit is already paid, the consuming province should be credited with the actual amount of duty due on the exported spirituous medicinal preparations.

The Accountant-General, Madras states that there is no objection to adjust the duty due to the Mysore Government once a quarter through the Exchange accounts to the credit of the Mysore Government. A statement showing the total amount of duty payable to the Mysore Government with details showing how the amount was arrived at will be sent to the Accountant-General, Madras every quarter, for making the

the necessary adjustment.

In the case of exports of spirituous medicinal preparations from the Madras Presidency to the Mysore State and to the Civil and Military Station, Bangalore, the procedure adopted is the same as suggested above.

I therefore request that the sanction of the Hon'ble the Resident may kindly be obtained for the adjustment of duty due to the Mysore Government, by debit to the accounts head "M.A.T. VI-Excise-Wines and Spirits-Duty on D.D. Rum and Rectified Spirits".

I have the honour to be,

Sir,

Your most obedient servant.
